STOKEHAM

St Peter's Church

Special Event

The church will be able to show to everyone who visits the building its six Stain Glass Roundels depicting the four seasons of the year.

This project has taken several years to put together and the church would like to thank everyone for their support.

St Peter's Church obtained a grant from the Trust and as a small community which loves the Ride and Stride day it will continue to support the Trust in whatever way it is able. Please join St Peter's Church on Saturday September 10th during your travels around the county to see its new Stain Glass feature and of course if you have time stay for a bit of lunch.

We would like to pay credit once again to everyone involved with the Ride and Stride and we are very very grateful to all our friends who work tirelessly to make the event the success that it is. In 2010 we had an amazing response, with representatives from Cotgrave, Caunton, Walkeringham, Attenborough, Southwell Minster, St Martin's Church at Bilborough, Rainworth Methodist, Sneinton and the many more places of worship raising some incredible and staggering amounts. We can all do it again together in 2011!!

THANK YOU FOR TAKING PART –
IT'S A HEALTHY WAY TO SPEND A DAY!
