10TH SEPTEMBER 2011 10.00AM = 6.00PM

List of participating churches and chapels – pages 2 to 4
EVENTS DIARY – pages 5 to 7
Guidance map – page 8

Approximate locations are shown on the map enclosed. Only churches and chapels on this list should be visited. Many will be open, those that are closed will display our register for you to sign. If you cannot find a register at a listed church or chapel please sign your own form anyway. Unless otherwise indicated, all churches and chapels will be open from 10am until 6pm. Please feel free to cross county borders as required and contact the county organiser for a list of churches and chapels taking part in neighbouring counties.

N.B. Details were correct at the time of printing, but some unavoidable changes will occur. There will be some additions and there may be some last minute deletions. Please check the last minute list issued at the beginning of September. This can be obtained by ringing 0115 937 6506 or by contacting your local organiser.

Abbreviations used:

R- Register; T – Toilet available; (T) – Toilet nearby; U – Church may be unstaffed; O/S/U – Church may be open and staffed or unstaffed depending on available stewards; CCT – Churches Conservation Trust; Churches and Chapels in *Italic* and Underlined are those places of worship short listed for our £50 competition and please support them by paying a visit

Special events to include on your route

Many churches and chapels are now holding special events on Ride and Stride Day. A full listing is given on pages 5 to 7. Please try and support these events if possible.

Please make sure that you read the enclosed safety leaflet carefully.

Remember the competitions running this year. See inside for details! Open to all participants APART FROM CAR RIDERS.

New this year is our competition to win a voucher for two people to include **dinner, bed and breakfast**, at one of Nottingham's most exclusive hotels – Hart's Hotel and Restaurant – worth around £200. This will be awarded to the church or chapel which produces the highest increase of funds raised compared to the sponsorship collected by that church in 2010. For instance, if a church raised £100 in 2010 and £200 in 2011, its score will be 100. The church with the highest score will be awarded the voucher. **Why not help your church be the winner!!!**

We hope those involved in this year's event will take advantage of the many attractions available to them at the various churches and chapels taking part in the 2011 Ride and Stride. The many churches and chapels open are themselves interesting to visit while additional activities that will be available make trips to them all the more rewarding. We are grateful for the information that has been supplied to us with details of the 'special' attractions and trust that participants enjoy what is available to them as they undertake the task of visiting the places of worship on their chosen route.
