Return of the Hire bikes!

Yes it's that time of year again, almost all of the bikes that were hired out last year have been returned, cleaned, fully serviced and are ready to go again. This year we have chosen to alter the hire scheme a little. As well as being open to students and staff we have changed the pricing, with the **cost of hire reduced to £35, with a £60 deposit.** Of course you don't get any less for your money, with a lock, lights and a maintenance package included in the cost, as well as access to free training from the lovely folks at Ridewise.

If you're interested in hiring one out, and want to beat the rush when the students return, just drop me an email at cycle@ntu.ac.uk I'll be happy to answer any questions you may have. All hiring is done through the [online store](#). I'll then get in touch to arrange collection of the bike.

About Ucycle Nottingham

Ucycle Nottingham has been set up in partnership with Sustrans, Nottingham City Council, Nottingham University Hospitals NHS Trust, Nottingham Trent University and the University of Nottingham to increase the numbers of staff and students cycling.

Return of the Students!

I'm sure all of the staff members who have been in and around the University campuses over the last couple of months will have noticed (and possibly become used to) the eerie quiet? Well that is soon to be shattered as the students begin to return from their summer breaks, swiftly followed by the new intake of undergraduates in welcome week, starting on the 26th September. With the increasing cost of student living, travel, and the lack of parking facilities, choosing to use a bike for your journeys at Uni has never been more cost effective. Keep a lookout for the Ucycle team at the freshers fairs, welcome day events and Saturday Antics! The guys will be on hand to answer any cycling related queries you may have, we will also have the Ucycle bikes available to demonstrate for anyone interested in hiring.

Come and see us at the following..

Saturday 24th September – Welcome day, Clifton Campus.

Wednesday 28th September – Freshers Fair, Clifton Campus.

Thursday 29th September – Freshers Fair, Brackenhurst Campus

Friday 30th September – freshers fair, City Campus.

Saturday 1st October – Saturday Antics, Clifton Campus.

But don't worry if you can't make it along to any of those, just contact Cycle@ntu.ac.uk and I'll answer any questions you may have about cycling in Nottingham.

More new cycle compounds!

As you will have read in our last newsletter, and probably noticed on your journeys around NTU, there have been significant improvements in the cycle parking facilities across our sites over the last 12 months. Well the good news is that this is set to continue, with new restricted access compounds set to be installed at Clifton Campus, as part of the re-development of land behind the Lionel Robbins Building and at Brackenhurst, where the existing halls of residence compound is set to be replaced

These compounds will be available to all staff and students and accessed via your swipecards.

Watch this space for more information.

Need a fix?

Is your bike a little worse for wear? Our intrepid **Bike Dr's** surgery is open on City Campus on

Thursday 18th August 10:00 – 15:00

Drop me an email if you're interested on Cycle@ntu.ac.uk

Can't make that date? Brackenhurst or Clifton based? Don't worry, I want to hear from you too!

Email the above, or call Dave on 0115 8486136.
